Actividades como Grupo de Interés

Finalidad y Objetivos:
As background Glide Group is a specialist organization delivering market-leading, super-fast broadband solutions to students, residential developers and businesses throughout the UK and Europe.
We have invested significantly in our network to ensure we deliver the best possible service across the full range of customers. The business delivers broadband services to over 100,000 premises, owns 570 fibre enabled cabinets in the UK, has laid 300km of fibre and is now operating in the UK, Ireland, Spain, Italy, Germany, Austria and the Netherlands.

The company is the leading provider of complete connectivity services for student accommodation serving over 350,000 students across 850 sites in the UK and Europe. In the Residential and Build to Rent market, Glide provides high-speed, reliable and fully managed Wi-Fi to property developers and landlords for new build and retrofit multi-tenanted properties across the UK and Europe.

Actividades específicas en relación con este Registro:
Glide intends to engage with Telefonica for circuit connectivity within Spain and expand the Customer lists within Spain region. As part of the Telefonica partnership requirements we require to register with CNMC as well.

Ámbitos de interés de la CNMC

Competencia (Art.5.1y2):
Aplicación en España de los mecanismos de cooperación y asignación de expedientes con la Comisión Europea, y los artículos 101 y 102 del Tratado de Funcionamiento de la Unión Europea y su Derecho derivado
